Whereas Peel Regional Police plays a critical in the safety and well-being of Brampton's residents;

Whereas the City of Brampton has been a strong advocate for fairness and representation at the Region, and to the Province for healthcare funding;

Whereas there is a disproportionate representation of a police footprint within the wards in our city.

Whereas all other ward pairings in the City except Wards 9 and 10 have direct access to some sort of a police station;

Whereas the east end of Brampton, comprising of Ward 8, 9, and 10, there are approximately 200,000 residents making up 33 per cent of the city's population;

Whereas from 2014 to 2018 crimes against a person in east end wards have increased on average by 50 per cent while crimes against property increased by 34 per cent;

Whereas residents from these neighborhoods are experiencing anxiety and fear due to increased crime, lack of a police station, and severely delayed response times.

Whereas there have been numerous delegations (HOWA, Vales of Humber), communications, community organized meetings and town halls attended by the Councillors, Mayors, and police chiefs, advocating for greater police presence;

Whereas there has been increasing demand for a police station in the east end of Brampton.

Whereas there are no police stations east of Torbram Road.

Whereas it currently takes approximately 23 minutes to drive 19 kilometres to reach the northeast end of Brampton from 21 Division.

Whereas Brampton City Council has made it unequivocally clear that the safety and well-being of all its residents is its priority.

Therefore Be It Resolved:

That the Mayor and Council send a letter to Peel Regional Police requesting a community station or satellite office in Brampton's east end for all reasons outlined; and

That staff be directed to identify a location and costs for a potential community station or satellite office in Brampton's east end, to be provided to Peel Police Service at no or minimal cost.
