City clerk,

As a proud resident of Ward 10 Brampton and tax payer, [REDACTED]  
[REDACTED]. I've been living here for the last 12 years. I choose this particular neighborhood as my permanent home because of the quiet area, greenery and natural view and scenery.

I strongly oppose proposal 1000158200 Ontario Inc. Blackthorn Development Corp. project as this project will only create traffic congestion and create more accidents in our neighborhood. Already there is heavy traffic on HWY 50 and Clarkway Dr. we notice accidents on a daily basis, we have to wait a long time to make left and right turns, this will create noise pollution and more cars on the same small streets.

On top of that schools don't have space for kids, the commercial plaza on the east and west of this proposed site is already so crowded with parking and huge line-ups for daily groceries, banks and other shops. So this will only create more difficult situations for current residents.

Please consider my request.

Regards,

Sujal Patel
