Dangerous
Driving Team

Take the pledge Peel

Is a Social Development strategy meant to connect all community leaders (Police, Fire, Medical/School Administrations, Elected Officials etc.)

TTPP will act as an umbrella for all annual safe driving campaigns

Dangerous Driving Team

Proactively address dangerous driver (i.e. repeat impaired offender, racers, stunt drivers, prohib/disqualified drivers)

Develop and maintain top 20 high-risk offenders list

Proactively address seasonal ERASE (Eliminating Racing Activities on Streets Everywhere)

Addictions Strategy

RSS Officers are now referring impaired accused parties to Peel Addiction Referral Centre (PAARC) at time of arrest

Road Safety DMU Liaison Officer

Cst. Justin Robinson will liaise between RSS and RCM

Subjects will be provided assistance through partnering agencies (Situation Table)

Dangerous Driving Team to ensure compliance

Main GOALS

Enhance PRP's response to road safety.

Identify individuals who may benefit from CSWB without compromising enforcement-related community safety commitments

Effectively deal with individuals making dangerous driving decisions due to mental health & addictions issues while ensuring the safety and well-being of all individuals and communities.

Future Milestones

Develop a CSWB working protocol with Vision Zero

Declare vehicular deaths a public health issue

Recognize Vision Zero as a “Situation Table” for the Big Four (Speeding, Distracted, Aggressive and Impaired Driving)

REGIONAL SITUATION TABLES

Risk Tracking Database

Housed by the Ministry of the Solicitor General

Data entered by PRP Community Mobilization

Referrals from divisions and community partners

In 2018 entered 124 situations

In 2019 entered 228 situations, 81% increase from 2018.

Support Regional Situation Table

Establishment of a multi-agency, multi-sectoral collaboration with a focus on enhancing community safety

Focus on elevated risk and the prevention of victimization or risk of committing a crime

Regional response to complex high risks situations improvement of protective factors and a reduction of associated risk factors

Allow for the sharing of knowledge and information among community and governmental partners, to facilitate community capacity building

Support Regional Situation Table

Assist individual/families to navigate a complex system

Inclusive of all ages and a wide variety of issues

Flexibility to integrate across other situation tables creating an opportunity to work alongside established tables to have a coordinated response to complex situations.

Creation and collection of reliable and valid data
