Good morning, from what I can see just by looking at this my concern is the sun and shadow report as it reflects on my properties, are any such reports available so that I can include with what you have sent in order to allow my lawyer to look at as I do believe that there are certain guidelines for this especially for solar usage that i am using in relation to both properties 17 & 19 Church Street East, Brampton, Ontario L6V1E8

Many Thanks,

Janos Kalo
