Ms/Mr Shawntelle Trdoslavic,
Planning Department
City of **Brampton,**
Ontario

Re: OZS-2024-0026 - 6029 Mayfield Road
Rogers Reference #: M24AS68A01

Dear Shawntelle Trdoslavic,

Thank you for your letter. Rogers Communications appreciates the opportunity to review and comment on future development within the City of Brampton.

We have reviewed the proposed area and do not have any comments or concerns at this time.

Rogers currently has existing communications within this area. Please contact Rogers at gtaw.newarea@rci.rogers.com prior to the commencement of construction.

Should you have any questions or require further information, please do not hesitate to contact GTAW New Area, Outside Plant Engineering.

Sincerely,

Anuradha P

Re: Notice of Application and Request for Comments – 6029 Mayfield Rd
COB File: OZS-2024-0026

Dear Harjot,

We are in receipt of your request for comments regarding the above project. We respond as follows.

A/ The proposed location of the transformer cannot be guaranteed by Alectra Utilities Brampton. The transformer location will be finalized when Alectra completes designing the project. The applicant shall provide the required clearances and space for the transformer or switchgear according to Alectra Utilities Brampton standards.

B/ Please include as a condition of approval the following:

- Applicant shall observe all aerial and underground clearances as may be required.
- We supply one point of connection per legally severed lot. The designer will need to design this and any future additions from a single distribution point.
- The maximum transformation capacity supplied by Alectra Utilities Brampton is 3,000 kVA.
- Anticipated capacity is not guaranteed and must be confirmed with Alectra Utilities Brampton. If capacity is available, it is provided on a first come first serve basis and the applicant is responsible for any expansion costs when the system capacity would have to be enhanced/expanded due to the applicant's loading requirements.

C/ The above comments are preliminary and does not guarantee a supply. If their application is approved, and this Customer wishes to proceed with their Hydro servicing, please advise the applicant to contact Alectra Utilities Brampton regarding permanent electrical supply to the site as soon as possible. Equipment delivery times may take up to 52 weeks or longer.

D/ The Developer/Customer/Engineering Firm is strongly advised to consult Alectra Utilities Conditions of Service, as they must adhere to all the conditions. This can be found on our web site at <https://alectrautilities.com/conditions-service>.

E/ If there is any existing Alectra Utilities property plant and/or equipment in the proposed location/area in the applicant's design, Alectra Utilities will not allow permanent structure over any such existing plant. If such a scenario exists, the property owner will be responsible for all costs

Alectra Utilities Corporation

175 Sandalwood Pkwy West, Brampton, ON L7A 1E8 | t 905 840 6300

alectrautilities.com

associated with the relocation of the existing plant and must coordinate/consult with Alectra Utilities for the relocation of the plant. If Alectra Utilities determines that an easement is required, the property owner will be solely responsible for the full cost and expense for easement registration, obtaining and registering any required postponements and/or discharges and, the reference plan of survey.

I can be reached at 905-452-5541 if there are any questions.

Yours Truly,

Gaurav Rao
