To whom it may concern,

My name is Jonelle Mitchell and I reside at \_\_\_\_\_ Brampton, ON \_\_\_\_\_, Canada. I am writing on behalf of Crispin and Joy Mitchell, also of this address. This email is in reference to Application A-2024-0260.

After living at this address for over 35 years, we have never received notice with regards to expanding driveway space at this or any other property on the street. The houses were built with adequate driveway space for vehicles for a household. The driveway for this application is currently significantly wide.

We do not support the application above with regards to expanding driveway width and reducing permeable landscaping abutting the side lot line as there is ample room on the driveway for vehicles to park and for drivers to move around said vehicles.

We authorize this correspondence to be posted on the agenda.

Regards,

Jonelle Mitchell
