Resources

At BAO, we are dedicated to providing valuable resources that support the growth and development of artists and creative professionals in Brampton. Our resources page offers a wealth of information to help you discover and navigate opportunities, enhance your skills, and connect with the community. Explore the various sections tailored to meet the diverse needs of artists across Brampton.

General Resources

Access a comprehensive collection of tools, guides, and organizational information designed to assist artists and creatives in navigating funding, professional development, and more.

Resources by Practice

Find curated resources tailored to specific artistic practices, including visual arts, performing arts, music, and literature, to support your creative journey and professional growth.

Poetry Project**

The Brampton Poetry Project

We believe in the transformative power of words to inspire and enrich our daily experiences.

From September to November you will find the work of 15 Brampton poets on bus shelters across the city

Together, we hope to bring moments of literary beauty and contemplation into everyday life while spotlighting local talent. Let us know when you've found a poem by tagging us @baobrampton.
