#### **BACKGROUND:**

Naseer Ahmad Tariq, Assistant Secretary of Ahmadiyya Muslim Jama’at Brampton, delegated to the Committee of Council on May 8, 2024, expressing the need to increase its on-site parking capacity due to growth in the community and the number of events held at the Mubarak Mosque at 10545 Hurontario Street. The delegate proposed acquiring the adjacent lands owned by the City, in particular 40 Aurora Place and a portion of Aurora Place cul-de-sac. This was referred to staff for consideration, including other applicable properties identified along the trail and identified by the delegate.

#### **Current Situation:**

Staff is seeking authorization for the surplus declaration of a portion of 40 Aurora Place (approximately 0.534 acres, PIN 14243-0650 (LT)) and 0 Aurora Place (approximately 0.0022 acres, PIN 14243-1042 (LT)) subject to the reservation or transfer of any required interests for utilities, services, setbacks, reserves, sidewalks or widenings as may be determined by the City. Please see Attachment 1 for a map of the properties. The properties are currently zoned OS – Recreation Open Space.

Circulation was made to the City’s Real Estate Coordinating Team (RECT) and priority notification was given to Infrastructure Ontario, The Peel District School Board, Dufferin Peel Catholic District School Board, The Library Board, The Regional Municipality of Peel and the Utility Companies; notable comments are summarized below:

- Peel District School Board and Dufferin-Peel Catholic District School Board have noted that they have no interest in the properties.

- Bell Canada has noted that they are requesting easement protection for their existing infrastructure on properties.
- Region of Peel (ROP) has noted the following:
  - requirement for easement protection and protection from any burden from any future construction for their existing infrastructure on the properties.

It has been confirmed through a title search that the properties were not acquired via expropriation.

Following the surplus declaration and disposal process, staff will negotiate the terms of the Agreement of Purchase and Sale for the disposal of the properties at fair market value to the adjacent property owner of 10545 Hurontario Street on an as-is-where-is basis, and report back for the ratification of the Agreement of Purchase and Sale at a future meeting.

A site survey, reference plan and an independent property appraisal to determine the fair market value, boundaries and part(s) of the properties to be transferred shall be completed in due course.
