Hello Navjit,

I would like to follow up and check if you have any updates for me.

As I stated earlier, **I strongly oppose this amendment**, as it will cause significant inconvenience to the residents of this neighborhood. The development would lead to increased truck traffic day and night, resulting in excessive noise, pollution and disruption. I am aware of people in my neighborhood opposing this amendment. I would like to speak on their behalf.

I would like either you or me to pick up and support opposing this amendment in today's meeting scheduled at 7 PM in city hall.

[@city.clerksoffice@brampton.ca](mailto:city.clerksoffice@brampton.ca) - Request you to kindly allow me to speak in today's meeting.

[@yinzhou.xiao@brampton.ca](mailto:yinzhou.xiao@brampton.ca) - Please reconsider this amendment. In my opinion, this neighborhood would benefit more from the addition of a shopping center or hospital or university. These facilities would provide significant relief to the community, addressing the pressing needs of the residents, which are far greater than the need for an industrial complex.

Respectfully,
Harpreet Singh Behl

Hello Navjit,

I hope you are doing well.

I am a resident of Brampton in Ward 6, and I would like to bring to your attention an application to amend the Official Plan and Zoning By-law. The proposed amendment seeks to permit the development of five (5) industrial buildings for manufacturing, cleaning, packaging, processing, repairing, or assembly of goods, foods, or materials.

City File: **OZS-2024-0063**

Address where this amendment is proposed: **11722 Mississauga Road**

I strongly oppose this amendment, as it will cause significant inconvenience to the residents of this neighborhood. The development would lead to increased truck traffic day and night, resulting in excessive noise, pollution and disruption.

Currently, our neighborhood is in dire need of a shopping center. As a densely populated area, we lack a convenient shopping complex, and such a development would bring both significant employment opportunities and much-needed convenience to residents.

I sincerely hope you understand my concerns and extend your support to oppose this amendment in the upcoming meeting scheduled for Monday, December 9, 2024.

Thank you for your attention to this matter.

Best regards,

Harpreet Singh Behl
