**What do you think the average cost of prom is for students?**

---

**The average  
cost of prom  
for students  
is \$1000**

In 2025, a family of four in Canada is projected to need approximately \$1,400 per month for groceries.

# Introduction to Making Prom Happen

---

---

# Our First Event

A group of amazing people came together and created a free prom dress event in May 2023. In only 6 weeks, we gathered over 300 dresses... not to mention the incredible selection of shoes, bags, and other accessories. We had the privilege of supporting 70 families.

# Last Year's Event

An incredible team of volunteers came together and created a magical night for over 250 youth.

**Free Graduation and Promwear Event  
for students grades 8 to 12**

**April 18, 2024**  
from 3:30pm to 8:00pm

**Location:**  
Bramalea Secondary  
School Cafeteria  
510 Balmoral Drive,  
Brampton, Ontario.

Memories**

# How Making Prom Happen Works

---

---

# How It Works

## Event Promotions

- Promotion letters and emails
- Flyer delivery to schools
- Press Releases sent out to media
- Social Media campaign begins
- Website updates and launch

## Gather Donations

- Confirm volunteer drop-off locations and build the google map for the website
- Educate volunteers on procedure for sorting and tagging clothing
- Social media requests for donations
- Amazon Wishlist is refined

## Student Registrations

- Registration is open to all students in Peel Region
- The website form is made available for students to register their time slot
- Walk-ins are accepted, and will be admitted as space permits

---

# The Big Event

- Weeks preceding the event are spent organizing inventory to prepare for transport and finalizing event details (decorations, signage etc.)
- We rent a U-Haul on the day of the event to pick up from all of the drop-off locations
- 40-50 volunteers arrive at the event to create out incredible promwear pop-up shop (last year we had over 1300 pieces of clothing)
- Students register at the front door and then go shopping
- When they are finished, they check out their items (just like a store... but no money)

---

# Building Partnerships within the Community

## Building Partnerships

We collaborate with the social workers and guidance councilors at the Peel District School Board and the Peel Dufferin Catholic School Board to ensure that information about our event reaches as many students as possible, especially those students who really need us.

## Raising Awareness

Through local charities and youth groups we raise awareness about the event, encouraging community involvement and participation from local stakeholders.

# Volunteer Involvement

"Having friends who are single moms and hearing how they were struggling to make sure their kids had a memorable prom experience. I just wanted to help in anyway I could."

"This event may be the deciding factor on whether graduates can afford to attend their Prom as the prices for their tickets alone are beyond the reach of some families. Add in the price of a dress or a suit, some miss out entirely; with Making Prom Happen, it stands true to its name, we help make prom happen."

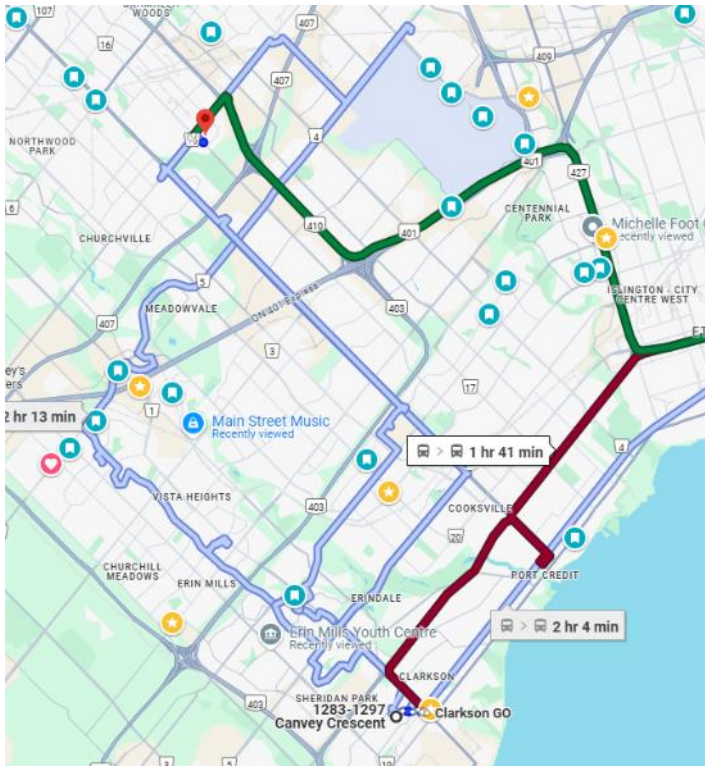

# Ways that City Council Can Help

---

---

# Transportation for Students

Peel Region is a huge area. And although we try to ensure our event is centrally located, some of our students are faced with close to a 2-hour journey on transit to attend the event. That's 4-hours both ways.

---

# Hard to Find Donations

We had many students last year who couldn't find an outfit.

We have a lot of students who don't fit into commonly donated sizes.

We tried to get donations from local retailers, but were either turned away, or ignored.

Last year, Councilor Rod Power, from Brampton, agreed to purchase a suit for a young man who was much too tall to fit into any of our donated suits.

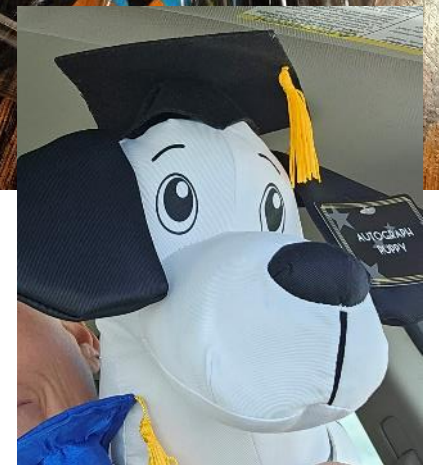

---

# Raffle Prize Donations

Last year we had an anonymous donor purchase 5 Uber Black Gift cards for \$100 each so graduates could arrive in style at prom.

We also had gift cards for local retailers donated.

The students absolutely loved these prizes!

---

# Event Promotion and Attendance

Counsellor Rod Power posted an amazing promo video for Making Prom Happen last year on Social Media and attended the event.

---

# **This is what we really need help with...**

- Assistance with organizing transportation for students who live too far from the event
- Raffle prize donations
- Event promotion on your social media or with local media outlets
- Attendance at the event
- Sturdy coat racks for our volunteer drop off locations
- U-Haul truck rental for before and after the event
- Donations, Donations, Donations
- And of course.. We're always looking for enthusiastic volunteers.

---

# This is why we do what we do...

"After hearing about this event from my friends' mom who is a volunteer I decided to go. I had dreamed about what I would wear to my prom for years, not realizing we wouldn't be able to afford it now. I didn't know what to expect going in but when I came out I had the dress of my dreams, shoes, a purse, and even some accessories. Thank you Making Prom Happen!"

# Will you help us Make Prom Happen?

---
