Dear Sir/ Madam.

I am writing this email in response to the public notice which came to me regarding minor variations on property 2 Glengrove court plan 860, I am resident of 7 graymar road Brampton L6S1Z7. If this construction does not block essential sunlight and air needed for my backyard plantation or the view around to my kids who play in the backyard most of the times i have no objection for any construction. Well with growing Brampton population we do need some of these extra apartments still keeping in mind all over greenery and essential light and fresh air essential for the kids and plantation growth.

Regards,

Kanwalpreet Singh Sahni
