Good evening,

Application number A-2024-0469 ( 5 Dunn Place)

I wanted to confirm the address because it was stated this was a 2-storey dwelling but 5 Dunn Place is a bungalow.

By-laws are in place for a reason and I don't understand why this couldn't be done within the set by-laws. The steps and landing could be built within code and be functional. Why infringe on privacy by impede your neighbour's property line.
