CURRENT FINANCIAL CRISIS

Revive Peel is facing a \$300,000 funding shortfall, jeopardizing our ability to provide free, trauma-informed support to survivors of sexual violence.

The Consequences of Inaction

- ✗ Closure of essential services – Survivors left without support**
- ✗ Loss of therapists and advocates – Fewer professionals to help those in crisis**
- ✗ Increased trauma & suffering – Survivors forced to struggle alone**
- ✗ Silence & isolation – Without safe, confidential care, survivors lose hope**

WE NEED YOUR HELP TO ENSURE SURVIVORS ARE NOT LEFT BEHIND

CALL TO ACTION

SUPPORT FOR SURVIVORS IS A COMMITMENT TO COMMUNITY CARE

This is not just an expense—it's an **investment** - Funding Revive Peel strengthens Brampton's public health, safety, and social support systems.

We're asking for a **partnership**, not just funding. Let's work together on a sustainable, long-term solution to support survivors beyond this crisis.

A vision for the future: With city collaboration, we can expand outreach, improve survivor services, and build a Brampton where no one faces sexual violence alone.
