This drawing has been prepared by the staff of AECOM and may not be used, reproduced or relied upon by third parties, except as agreed by AECOM and its client, as required by law or otherwise by governmental reviewing agencies. AECOM accepts no responsibility and denies any liability whatsoever to any party for the use of this drawing without AECOM's express written consent.

Founded in 1971, Packham Brick was the predecessor of Brampton Brick Ltd. It currently has the largest brick manufacturing facility in North America.

The Balfour occupied the property for 56 years from 1918 until 1974

INTRODUCING...

PIONEER FEED DISTRIBUTOR

BILL KELLY

Brampton Milling Company

Formerly Balfour Mill

★

Mr. Kelly comes with a wide experience in the feed business and a familiarity with the requirements and problems in feeding and management of poultry, hogs and cattle.

For several years past he has been associated as a partner in the mill and feed business of Kelly and Palmer in Listowel.

We are indeed fortunate in obtaining a distributor with Bill's experience and ability to service you with your Pioneer Feed requirements.
