Subject: [EXTERNAL]Motion: Safer Drivers - Safer Roads

Dear Rupinder,

Thank you for forwarding Brampton Council's motion to support the recommendations of the Auditor General Vfm Audit: Driver Training and Examination" December 2023. We fully support these recommendations and appreciate your efforts to press the provincial government to act on them.

In addition to the pressing need to address fraud in the training of drivers for G licenses, the Northern Caucus of the ONDP have been working hard to bring about changes to how commercial truck drivers are trained, tested, and licensed so that every driver on the road has the skills they need to drive safely and come home alive.

We are hoping that Brampton council will also consider supporting the Northern Highway Safety Plan attached above. We would appreciate it if you could share this email and the four attachments with members of Brampton City Council.

Thank you for your assistance,

Lise Vaugeois, MPP
