Gitty-up

More bums on bikes

Data from Google Environmental Explorer Atmospheric Fund – Transportation Peel 2023

In Brampton cyclists have demonstrated a

- **17% increase in the distance travelled**
- **22% increase in number of cycling trips**

Bikes at schools in Sept/Oct 2024

Bikes (not including scooters or mini bikes)	School surveyed – random days in September/October
61	Heart Lake SS
50	Harold Braithwaite SS
44	Central Peel SS
39	Centennial SS
33	Bramalea SS
27	North Park SS
8	Turner Fenton SS

Should Brampton provide funding specifically for promoting cycling to youth?

Benefits :

Increase physical activity

Develop independence

Reduce stress

Save money

Save caregivers/parents time

Personal benefits translate into environmental & community benefits

New Report Shows Type 2 Diabetes is More Prevalent in Peel Region

By Krista Lamb

On April 15, 2024 the Novo Nordisk Network for Healthy Populations at the University of Toronto released their report, *The Current State of Type*

Ideas from other communities

1) Bike bus to school

Portland

Can't be consistently applied

Depends on volunteers

2) Bike Gardens
Montreal and Laval

- **From Does Biking in the Suburbs have to Suck? The Urbanity**

3) Bike Skills/Lessons

- **Ride Smart from New Hope Community Bikes in Hamilton**

- **Newhopecommunitybikes.com**

- School based

- week long program

- Provide everything

- Grades 4-7

- $15/student

Skills- continued

- **Youth Spokes –Sarnia/Lambton**

- **Bigf.ca**

- Free program

- 10 weeks

- 11-14yo

- Sunday afternoons from 2-4

- Includes to bussed field trips

- Pay what you can (approx $200)

- Have 20 spare bikes and helmets for kids without a bike.
