Dear Mr Sra & Councillors,

I write to you as a home owner who will potentially be affected by the proposed rezoning of the subject matter.

I would like to bring to your attention that this proposal serves little purpose to the residents of this area since similar retail outlets are both North and West and within 1-2 kilometres Also it was my understanding that this area was considered a green zone representing the original Brampton historical residences who built a legacy that must be respected.

I and many others do not see how this rezoning benefits the residents and property tax payers of this community Thus this proposed rezoning has little merit and must be declined Jai Sukul
