Recent Fee increase for Minor Variance application from \$720 to \$11,949.

Request to  
Council/Committee:

Requesting City Council to review the recent recent Fee increase for Minor Variance application from \$720 to \$11,949, which is a 1666% increase. This appears to be the highest in the Peel Region. This will increase the construction cost to new high. As the homeowners/Tenants already suffer from higher housing/construction cost, this will drive up the cost even higher. Thus, I kindly request the council to look at options to keep the fee moderate and affordable.
