RE: Imam-E - Zamana Centre

Con 10, EHS, Part Lot 16, Ward 10

My name is lolanda Fanelli, me and my family live on 5 St. Johns Rd.

We STRONGLY OPPOSE the application for variances to 4598 Countryside Drive.

- 1.). Approving these variances to 4598 Countryside Dr., will cause extra traffic congestion on Countryside Dr.
- 2.). Their driveway is sloped therefore very unsafe for in and out of vehicles,
- 3.) Vehicles will be parking on our street ( St Johns Rd) when they run out of space on their property.
- 4.) St Johns Rd is a peaceful road and allowing vehicles regularly from countryside dr to use our road as an extra parking lot is unfair and terribly unjust.

Thank-you

Iolanda Fanelli and Family.
