Hello Clara,

Please provide this email as a letter of support to the Committee's file.

We request you to kindly allow us to use this place as our small community center. We organize get together, prayers, entertainment, education, picnic and food bank programs. This is very important for the mental health and peace of mind for our community members.

There are excellent networking programs for the youth that help them excel and bond with their community.

I authorize you to post this correspondence to the revised agenda.

Thank you.
