Good morning,

Thank you for giving me an opportunity to complete my correspondence.

I authorize you to use my contact information in public record and to post my correspondence to the revised agenda. I am reproducing my correspondence below with my contact detail.

Hi Clara, Greetings,

Please provide this email as a letter of support to the Committee's file.

We request you to kindly allow us to use this place as our small community center. We are a small community and we generally meet once or twice a week as a family at this address. We organize get together, prayers, entertainment, education, picnic and food bank programs. This is very important for the mental health and peace of mind for our community members.

Thanking you.
