Hello,

My name is Harri Sivaharan and i am a resident of 6 Kenny Court with my family.

It is my humble request to decline this application for the reasons listed below.

- it will cause traffic congestion
- its very unsafe to get in and out of the property as the driveway is on a slope and the driveway is narrow.
- the property is located to close a ravine and bridge and they are already parking cars near the ravine
- this property will turn into a mosque and we are worried about cars that will be parked on St Johns Rd
- this property is located in a quiet neighbourhood , they should really rent a commercial space elsewhere to operate their cultural club.

Thank you

Best Regards,

Harri Sivaharan
