Hello Clara, Greetings,

Kindly forward this email to the Committee's file as a letter of support.

We respectfully ask for your permission to use this space as our little community center. As a tiny community, we usually get together as a family at this place once or twice a week. We plan gatherings, food bank initiatives, entertainment, education, prayers, and picnics. For our community members' mental health and peace of mind, this is crucial.  
I give you permission to add this letter to the updated agenda.

Thank you.
