Committee of Adjustment, City of Brampton

C/o Clara Vani

*Secretary of Treasurer for Committee of Adjustment
City of Brampton*

Hello Clara

Upon submitting our application of Minor Variance, we were informed that the fees have been changed from January 2025 to \$11,949. It was a drastic change from the fees we paid 3 years ago which was a little over \$656 (which is a residential property).

We would be grateful if the Committee of Adjustment would reconsider reducing the fees as we are a registered charity who rely mostly on donations and funding.

As a non-profit organization dedicated to helping women fleeing intimate partner violence. While we understand the need to cover these costs, but it's a big cost compared to three years ago. We would like to continue doing the great work that we do in the Region, which is providing a safe space for these women who are fleeing abuse.

Thank you for your time and consideration. We greatly appreciate your understanding and look forward to your positive response.

Sincerely

Tamara Lakeman, Director
