Subject: [EXTERNAL]Letter of Support – Minor Variance Application A-2024-0200 (4598 Countryside Drive)

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

Dear Clara,

I hope this message finds you well and that you had a fantastic long weekend.

I am writing as a **resident of Brampton** and a **Community Support Advisor** to express my full support for the minor variance application A-2024-0200 concerning **4598 Countryside Drive**, currently serving as the **Imam-e-Zamana Centre**.

Through my work in community development and social enterprise, I have witnessed firsthand the transformative impact of inclusive, culturally rooted, and spiritually nurturing spaces. Centres like Imam-e-Zamana are not only places of worship—they are essential for fostering resilience, belonging, and emotional well-being among residents of all ages.

These gatherings, typically held once or twice a week, help reduce isolation, strengthen intergenerational bonds, and provide spiritual grounding. As a result, community members are better positioned to contribute positively to society and the economy—with renewed focus, mental peace, and a sense of social responsibility.

Supporting this Centre is a meaningful step toward strengthening grassroots community health and well-being in Brampton. I respectfully request that this email be added to the Committee's file and included in the revised agenda.

Thank you for your time and thoughtful consideration.

Best Regards,

From: Madiha
