Hello,

[REDACTED]

I want to receive more details regarding the subject. I would like to get presentation about this zoning matter.

Below is my comment regarding this subject.

We were told our house is located at the fully residential area at the time when we bought the property. We don't agree with the new commercial zoning in our neighborhood for the following reasons.

1. Commercial zone will add more traffic and congestion to the neighborhood.
2. We are concerned about the public safety since nowadays increasing crime rates at the commercial areas .
3. Peaceful nature of the residential area might be affected by the increasing commercial noise and the late night activities.
4. Reduced privacy
5. Loss of community feel

I hope the city will consider the above comments while taking the final decision.

Thank you.

Best regards,
Gajan
