BRAMPTON

FASHION

WEEK

BFW is a one of a kind red carpet event in the city of Brampton with a focus on promoting our local fashion industry and Canadian talent; celebrating different colors, cultures and customs of the fashion world.

“Brampton is a Mosaic of cultures and people, and one thing that we have in common is that we’re all proud of our ancestry, proud of our heritage and fashion is a great way to showcase that.

One of the beautiful thing about Brampton Fashion Week is that it brings people together from every background to celebrate fashion. So it means a lot to the city because it’s in our DNA to celebrate our culture, and it’s one of the reasons I love this event.”

We're Back!

Building on the momentum of our successful 2024 showcase, we aim to expand even further in 2025 by developing a year-round program that promotes local designers and brands, helping to grow and sustain their businesses.

This year, we're raising funds for the William Osler Health System to support a second hospital in Brampton.

We kindly request a waiver of the venue rental fee for our 2025 event at City Hall.

Your support would greatly impact this cause—thank you for considering.
