Exterior Painting - St Andrews Presbyterian Church

Project

Further to your recent enquiry we have the pleasure of providing a quotation for painting the above noted project

SCOPE OF WORK	PRICE
Prepare the wood window frames, louvers, panels and specified doors / frame by scraping / sanding to remove loose and peeling paint, dirt, dust and other foreign material that will adversely effect the adhesion of the new coatings. Remove existing caulking/ sealant at the masonry to wood joint. Apply one coat of acrylic bonding primer followed by two full coats of acrylic enamel with the exception of the doors that will be re-stained to match existing as per the site visit and your direction.	\$88,640.00
