Subject: [EXTERNAL]City Review of Supportive Housing Policies & Regulations - Virtual Meeting December 7, 2020

To Whom it May Concern,

I represent a number of Brampton residents who oppose the recommendations in the City Planning Information Report with respect to Brampton's Supportive Housing Policies and Regulations.

Please register me to speak at the Public Meeting on December 7, 2020 with respect to this matter.

Yours truly,

John Nunziata
