Subject: [EXTERNAL]Pre-registration to speak at Dec 7, 2020 hearing re: application by 9058 Creditview Road.

Dear City Clerk -

I represent Walter Grdevich, the owner of 9052 Creditview Road, the property directly south of the property for which this December 7 Public Meeting is being held. Walter has had a pre-consultation with the City, and is in the process of preparing his own application for Zoning amendment and Draft Plan of Subdivision.

His Engineer and Planner are in the final stages of reviewing grading and FSR and are preparing a letter to be read into or added to the record of the public hearing to protect the rights of my client, Walter Grdevich, with regards to his application to develop his lands at 9052 Creditview Road.

I request pre-registration to speak at the meeting to read my client's letter into the record at that time.

Would Monday morning be early enough to submit this letter?

Alternatively, I ask the Clerk for pre-registration to speak at the meeting to read my client's letter into the record at that time.

Sincerely,

Ben Prins, Paralegal
