Hello ,

We own a house at Brampton. With respect to proposed amendment below :

1. Re-designate lands within draft plan of subdivision 21T-06024B and 21T- 04008B from Executive Residential to low medium/ density - I do not agree with this and oppose the proposal.
2. From Service Commercial to High Density Residential- I do not agree with this and oppose the proposal.
3. Rezone the land to permit 669 single detached, semi-detached and Townhouse units and upto to 420 Apartment units - I do not agree with this and oppose the propsal

In summary, I do not agree with any of the proposed plan amendment. I would like to be notified for any meetings by ward councillors or public meetings.
