Hello Himanshu,

I am writing about the proposed project at 10799 Creditview Rd,

I am totally against the project.

I am resident of and I don't want any further development around our neighbor hood. It is already too congested with all the new homes and townhomes that have been built in and around the area.

The city needs to bring in businesses to Brampton and not just keep building homes in Brampton.

Thank you.

J Sekhon
