6. Government Relations Matters

6.1/8.3.1

CW002-2021

That the report titled: **Government Relations Matters**, to the Committee of Council Meeting of January 20, 2021, be received.

Carried

CW003-2021

Whereas Canada's recovery from the COVID-19 pandemic will depend on municipalities as the order of government closest to the places where people live, work, thrive and struggle;

And whereas, Canada's federal-municipal partnership is supporting Canadians through this pandemic by: delivering rapid housing solutions for vulnerable Canadians, expanding federal funding to bring reliable internet to rural Canadians, and keeping vital municipal services running strong through the Safe Restart Agreement;

And whereas, the pandemic has exposed longstanding inequalities and the need for a recovery that builds on our federal-municipal partnership to create jobs, promote inclusion and increase resilience to the next threat, whether it's a virus or climate change;

Therefore be it resolved, that the City of Brampton endorses the Federation of Canadian Municipalities' recommendations for a green and inclusive economic recovery, Building back better together, which empowers local leaders to deliver results for Canadians on the ground while continuing to protect the frontline services they rely on, including:

- Building an inclusive recovery—where we create jobs and promote equality, by urgently scaling up the new Rapid Housing Initiative to end chronic homelessness in Canada, growing our affordable housing supply to prevent the flow into homelessness, and investing in community, cultural and recreational infrastructure to promote social inclusion;
- Building a green recovery that creates jobs and moves Canada closer to a net-zero emissions economy, by continuing to invest in efficient public transit, scaling up proven local initiatives that reduce GHG emissions and build communities' resilience to climate change; and
- Building a resilient partnership that matches our modern role in supporting Canadians and our economy, by ensuring municipal operating support continues as COVID-19 impacts stretch through 2021, directly empowering rural communities through new investments in rural transportation and housing, and doubling the federal Gas Tax Fund allocation over three years through a new Municipal Economic Recovery Fund;

And further that staff report back and identify opportunities to align, integrate and provide specific examples of how FCMs Building Back Better Together supports advancing Brampton's priorities through the Municipal Economic Recovery Fund; inclusive and green recovery lenses;

And further that staff together with the elected FCM Board Member from Brampton, engage with FCM to ensure that specific examples are highlighted and promoted by FCM through their ongoing advocacy;

And further, that copies of this resolution be sent to Peel-area MPs, MPPs and FCM.

Yea (10): Mayor Patrick Brown, Regional Councillor Santos , Regional Councillor Vicente , Regional Councillor Palleschi, Regional Councillor Medeiros, City Councillor Bowman, City Councillor Williams , Regional Councillor Fortini, Regional Councillor Dhillon and City Councillor Singh

Absent (1): City Councillor Whillans

Carried (10 to 0)

6.2. **CW004-2021**

That the update from Mayor P. Brown re: **COVID-19 Emergency**, to the Committee of Council Meeting of January 20, 2021, be received.

Carried

CW005-2021

Whereas, Peel Public Health's latest Weekly Epidemiological Update states that there are 44,652 confirmed and probable cases of COVID-19 that have been reported in Peel Region

Whereas, there have been 475 deaths among these confirmed cases that reflects the serious nature of this virus.

Whereas, the Provincial Government has declared a 2nd State of Emergency, and implemented related stay-at-home orders due to increasing case counts province-wide.

Whereas, Peel Region's weekly incidence rate is higher than the ones being reported by all 34 of Ontario's public health units.

Whereas, Peel area hospitals have already transferred patients hours away for care in a bid to free up capacity to treat people suffering from COVID-19 but remain on the brink of catastrophe.

Therefore be it resolved, that Peel Region, the City of Brampton, the City of Mississauga, and Town of Caledon, partner, in alignment with advice from Peel Public Health, and invest in a significant joint communications campaign to residents of Peel Region, of no less than \$1,000,000 equally shared, and no less than a period of 6 weeks, with the express goals of:

1. Reducing the rapid increase of Peel Region's case counts
2. Directing Residents to Stay Home based on new Provincial Orders

3. Pivot in messaging with a call to action to NGO's, local influencers and News agencies.
4. Delivering opportunities and options to engage relevant Town, City, and Regional services, arts/religious/culture/cuisine and engagement opportunities from the safety of home
5. Start a Regional tele-town hall with the heads of the four municipalities, all five Chief's, medical officer of health, and representatives from Trillium and Osler health units, for the purpose to reach a wider audience with an emphasis on spreading the word not the virus.

Yea (10): Mayor Patrick Brown, Regional Councillor Santos , Regional Councillor Vicente , Regional Councillor Palleschi, Regional Councillor Medeiros, City Councillor Bowman, City Councillor Williams , Regional Councillor Fortini, Regional Councillor Dhillon and City Councillor Singh

Absent (1): City Councillor Whillans

Carried (10 to 0)

CW006-2021

Whereas the Province of Ontario has directed a grey-lockdown status for the City of Brampton, that restrict residents from leaving home unless for essential purposes to include exercise outdoors;

Whereas the City of Brampton's outdoor skating rinks have remained opened to allow opportunity for residents to be physically active for exercise, but with limited capacity and pre-registration requirements to control use and contact tracing;

Whereas the two metre physical distancing rule has been encouraged since the beginning of this pandemic and throughout, as a measure to prevent the spread of COVID-19;

Whereas scientific evidence has indicated that repeated, cumulative exposure to an individual or individuals with COVID-19 can, in certain instances, also lead to inoculation in the same manner as prolonged close contact (reference page 5: <https://www.publichealthontario.ca/-/media/documents/ncov/main/2020/09/covid-19-contact-tracing-risk-assessment.pdf?la=en>)

Whereas in cases where the two metre physical distancing protocol cannot be maintained, residents are asked to wear a mask to protect themselves and others from the spread of COVID-19;

Whereas the Peel Medical Officer of Health has provided a recommendation that local municipalities consider extending mask and face covering mandates to outdoor activities where transmission risks exist, where more than simply transient passing contact might be occurring;

Whereas limited capacity at outdoor skating rinks operated by the city does not guarantee that residents will maintain the two metre physical distancing rule;

Therefore be it resolved that under Brampton's state of emergency, staff immediately implement and communicate a mandatory mask / face covering policy, to apply to those over the age of 10 years, at all outdoor skating rinks operated by the City.

Yea (11): Mayor Patrick Brown, Regional Councillor Santos , Regional Councillor Vicente , Regional Councillor Palleschi, City Councillor Whillans, Regional Councillor Medeiros, City Councillor Bowman, City Councillor Williams , Regional Councillor Fortini, Regional Councillor Dhillon and City Councillor Singh

Carried (11 to 0)

7. Public Delegations

7.2 CW007-2021

That the delegation from Charles Finlay, Executive Director, Rogers Cybersecure Catalyst at Ryerson University, to the Committee of Council Meeting of January 20, 2021, re: **Police Cybercrime Training Centre** be received; and

Whereas the Rogers Cybersecure Catalyst at Ryerson University has plans to open a National Police Cybercrime Training Centre, and has interest in establishing the Training Centre in the City of Brampton; and,

Whereas The City of Brampton recognizes the value proposition, that Cyber Security provides in attracting new business's and investment to the City

Whereas Cybercrime is a rapidly growing threat in Canada affecting corporations, residents, and the public sector, and reported cybercrimes has increased by more than 100% between 2014 and 2018; and,

Whereas the proposed National Police Cybercrime Training Centre in Brampton will expand on the training conducted by the Canadian Police College and allow collaboration between national, regional, and municipal law enforcement agencies to better address cybercrime as a growing threat; and,

Whereas the Police Cybercrime Training Centre will act as a hub for law enforcement agencies allowing for collaboration and sharing of best practices among agencies, will develop advanced courses that will train officers nation wide to address new threats; and,

Whereas opening a Police Cybercrime Training Centre will make Brampton the centre for Cybercrime training and an important addition to Brampton's Innovation District

Therefore Be It Resolved that the City of Brampton staff be directed to begin discussions with Ryerson University for a potential Police Cybercrime Training College within the municipality outlining The City of Brampton's role in a possible partnership, identify what resources would be required, and report back to Council when appropriate.

Yea (10): Regional Councillor Santos , Regional Councillor Vicente , Regional Councillor Palleschi, City Councillor Whillans, Regional Councillor Medeiros, City Councillor Bowman, City Councillor Williams , Regional Councillor Fortini, Regional Councillor Dhillon and City Councillor Singh

Carried (10 to 0)

7.3/11.2.5

CW008-2021

Secures Oversubscribed Round for New Portfolio Company: Canurta Inc."**, be received.

Carried

7.6/10.3.3

CW011-2021

That the delegation from Alec Cloke, Ontario Dump Truck Industry Expert, to the Committee of Council Meeting of January 20, 2021, re: **Item 10.3.3 - Provincial Policies Related to Dump Trucks**, be received; and

Whereas, the Ontario Ministry of Transportation's Safe, Productive, Infrastructure Friendly (SPIF) (413/05) regulations that took effect Jan 1, 2021 require dump trucks manufactured prior to 2011 to undergo expensive retrofits (costing up to \$40,000); operate at significantly reduced capacity, or be taken off the road after 15 years of operation.

Whereas, the regulations only apply to four specific categories of trucks, used mainly in the construction industry: concrete trucks, water trucks, fuel trailers, and dump trucks.

Whereas, the average lifespan of a dump truck is 20-25 years, and accommodations have been made to permit other impacted trucks (noted above) to operate for 20 to 25 years i.e their full life span.

Whereas, only dump trucks have not been accommodated to permit operation for their full life span i.e 20-25 years.

Whereas, there is no threat to public safety from older (non-retrofitted) dump trucks, but rather the regulations are mainly designed to reduce wear and tear on roads and infrastructure i.e. promote infrastructure safety and save costs.

Whereas, the announcement of these measures' effect date was made a little over a year ago in the midst of the Covid-19 pandemic, however notifications to operators were only sent by the Ministry of Transportation very recently.

Whereas, requests for meetings and information by drivers, owner/operators and ODTA were delayed and denied by the Ministry of Transportation.

Whereas, the Ministry of Transportation entered into an agreement in 2016 that no policy would move forward without industry consensus.

Whereas, that agreement has not been honoured and no meaningful communication, consultation or industry engagement has taken place.

Whereas, dump truck drivers are essential workers who help build our roads, hospitals, critical infrastructure and housing.

Whereas, workers in this industry have already been hit hard by the pandemic suffering at least a 25% reduction in work and income.

Whereas, it is not feasible for dump truck drivers and operators to invest up to \$40,000 (plus one week off the road) to undergo retrofits on trucks that are only 15 years old.

Whereas, operating at significantly reduced capacity is not economically viable for these small business owner/operators as it will result in approximately a one third reduced capacity.

Whereas, dump trucks that are not able to operate at full capacity will not be able to fulfill their existing contractual obligations, gain future work, or be hired for jobs.

Whereas, dump truck drivers and operators have already invested \$250,000 to \$350,000 in their trucks with the expectation that they will be able to operate them for the full life span of the truck.

Whereas, the dump truck owners and operators that are hardest hit by these regulations, are those with the oldest trucks and are among the most vulnerable in the industry.

Whereas, enforcement actions have commenced and many operators have already been turned away from job sites, unable to fulfill contracts, or have been ticketed up to \$1000.

Whereas, adding additional years of operation time/permits would address this issue and essentially allow the older trucks to be grandfathered/used for their full life span.

Whereas, these regulations will disrupt the industry resulting in delays, longer build times, higher costs that will ultimately be passed down to consumers and taxpayers.

Whereas, many Brampton families rely on this income as small business operators generate jobs for drivers, and create other spin off jobs that also benefit the economy.

Whereas, Brampton is a transportation hub that relies on this vital industry for economic well being of its citizens and businesses.

Whereas, dump truck drivers and operators deserve to be heard, consulted, have their valid concerns addressed and be treated with overall dignity and respect

Whereas, The Ontario Dump Truck Association (ODTA) is calling on the Government of Ontario to review these measures and work to find a solution.

Therefore be it resolved that:

1. The City of Brampton urge the Ontario Ministry of Transportation and the Government of Ontario to work with the ODTA to address issues regarding SPIF-compliant axle legislation and work toward viable solutions; and
2. The Mayor of Brampton write a letter to the Minister of Transportation on behalf of Council.
