

# 2 Ideas for Community Rides

In 2026

# 1. Promote commuting to school safely by bike

- Start some of our spring community rides at Secondary Schools
- Route the 5km rides to feeder schools to demonstrate how easy it is to ride
- Promote rides at feeder schools (Parent councils ?)
- For Example
- Earnscliffe and Balmoral SrP feed into Bramalea SS. 5km loop

## 2. Bike "Rave" - DJ's at 3 parks – ride from one to the next –very well attended

# Consider special rides to coincide with live music events
