THE BRAMPTON ENTREPRENEUR CENTRE + CO-WORKING SPACE

Our Vision

To contribute to the stability and growth of the local economy by fostering the careful preparation, launch and long-term sustainability of micro and small businesses across all sectors.

**typically under 10 employees

Our Mission

To provide current, accurate and thorough information through online documents, seminars and workshops, consultations and business plan reviews with a strong customer service approach. This information will be cost-effective, easily accessible and highly responsive to client needs.

Our Services

- Guidance on business start-up steps
- Guidance on permits, regulations and other start-up requirements
- Existing business support
- Leading-edge information, resources, templates and market research
- Workshops and seminars (free and low-cost)
- Individual, private consultations
- Site selection services
- Market research services
- Business plan reviews
- Referral services
- Guidance on growth and change issues
- Professional development and networking opportunities
- Access to funding opportunities
- Site selection support - we help you find suitable locations for your business
