# Current and emerging issues, trends and risks within Peel's communities

- ✓ Early Childhood Development
- ✓ Violence
- ✓ Food Insecurity
- ✓ Housing & Homelessness
- ✓ Immigration & Settlement
- ✓ Income Insecurity & Unemployment
- ✓ Mental Health
- ✓ Substance Use
- ✓ Trafficking

- In 2023 police responded to just over 16,000 incidents of family and intimate partner violence –an average of 44 disputes per day, or nearly two every hour.
- In 2024, emergency food providers reported increased service demand of 40-60% compared to the previous year.
- Since 2023, an estimated 91,000 households across Peel were lacking adequate affordable and suitable housing.
- Peel unemployment rate has consistently been higher than Ontario's rate.
- Emergency departments are seeing a surge in mental health related visits, with over 19,000 cases in 2023 alone, a 5% increase from the previous year.

## Strategic Focus

**CSWB will prioritize addressing the needs of children and youth to drive upstream, systems level change**

## Key Factors

Peel is home to one of the **youngest and fastest-growing youth** populations in Canada

Early upstream child and youth investments are **one of the most powerful and equitable ways** to shift community wellbeing

Allows us to make **strategic decisions and investments**

# Peel Region Social Services & Supports
