

Hi

I am writing this letter to COA for my driveway widening concern. I am Gagandeep Kaur Gill and Bhupinder Singh Mundi owing to the property that is 1 Matterhorn Rd Brampton ON L7A5A3 Canada. We got a letter about driveway widening.

We are going through financial issues. My husband and I are both working very hard to pay mortgage and other bills. We are a family of 4. We have 2 kids one is 7 and one 3-year-old. My husband is working from morning to late at night for survival. We are behind some of the bills. We are managing our expenses from paycheck to paycheck. This is the time I need to choose between mortgage payment or driveway fixing. I do not want to lose my house.

We are good citizens. We never use that space for parking. We clean the sidewalks, cut the grass, and always pick the garbage from the roads to make the city neat and clean. We want COA to help solve this problem. We are very thankful.
