

**PETITION TO THE MAYOR OF BRAMPTON, BRAMPTON CITY COUNCIL
NOVEMBER 2025**

We, the undersigned, citizens of Canada and residents of the City of Brampton draw the attention of the Mayor of Brampton and Brampton City Council to the following:

LACK OF AFFORDABLE HOUSING CAUSES HOMELESSNESS IN BRAMPTON

THEREFORE, your petitioners call upon the Mayor of Brampton and Brampton City Council:

To incorporate six hundred affordable housing units for our homeless citizens in the already approved development projects within the next three years.

As members of Brampton West Senior Citizens Council, the following is our proposal to help eliminate homelessness in Brampton:

1. Find a vacant building that can be repurposed into bachelor apartments.
2. Either purchase the building or have it donated or raise money for its purchase.
3. Partner with a company such as Habitat for Humanity, SHIP or any other organizations willing to donate their time to repurpose the building into bachelor apartments that offer the homeless an address, a place to store their belongings, a shower and a kitchen.
4. In order for the homeless to reintegrate back into society, they need a proper place to live.
5. For health reasons, the homeless need proper shelter from the cold and excess heat.
6. Having a place to live offers someone who is homeless a sense of dignity and an opportunity to reintegrate back into being a productive citizen.
