Subject: Minor Variance application for 1 Facet St, Brampton

Sir/ Madam,

We hope this letter finds you well. Please accept our minor variance application for our client at 1 Facet Street, Brampton.

We have proposed a below grade entrance to the basement so that the existing Single Family Dwelling can be used as Twin Unit Dwelling. However, since this is a corner lot, the only side yard available in terms of setback is the exterior side yard.

The interior side yard setback is 0.61 m from the building line.

So we request you to kindly consider our application for minor variance and allow for the below grade staircase (entrance) from the exterior side yard.

We appreciate your cooperation in this matter.

Thank You
