Contact: John Edwin, Manager, Development Construction, Environment & Development Engineering Division – 905-874-2538

Report Number: Public Works & Engineering-2021-212

Recommendations:

1. That the report titled: **Initiation of Subdivision Assumption Mattamy (Wanless) Limited, Registered Plan 43M-1989 – (North of Wanless Drive, East of Creditview Road), Ward 6 - Planning References – C03W16.002 and 21T-11008B**, to the Committee of Council Meeting of March 10, 2021 be received;
2. That the City initiate the Subdivision Assumption of Mattamy (Wanless) Limited, Registered Plan 43M-1989; and
3. That a report be forwarded to City Council recommending the Subdivision Assumption of Mattamy (Wanless) Limited, Registered Plan 43M-1989 once all departments have provided their clearance for assumption.

Overview:

The maintenance period has expired and all works with respect to the subject subdivision have been completed to the satisfaction of the Environment & Development Engineering Division. It is now appropriate to initiate the subdivision assumption process in accordance with Council's procedures and policies. Other departments must provide clearance prior to a by-law being passed assuming the subdivision.

Background:

The following development has been completed and the terms of the Subdivision Agreement have been satisfied insofar as the Environment & Development Engineering Division of the Public Works and Engineering Department is concerned. Prior to final release for assumption, all City departments will be circulated to ensure all requirements and conditions have been fulfilled.

Subdivision Name	Legal Description	Street Name
Mattamy (Wanless) Limited	43M-1989	Adios Gate Boracay Lane Grupa Lane Hafia Street Little Minnow Road Loveless Lane Metro Crescent Thornbush Boulevard Quasar Street Quillberry Close Stedford Crescent Volner Road Roulette Crescent

Current Situation:

The Environment & Development Engineering Division is satisfied that the services completed within this development may be initiated for assumption.

Corporate Implications:

Upon assumption of this development, approximately 2.6 lane kilometers of roadway and associated municipal infrastructure will be added to the City of Brampton's system. There will be future costs associated with the operation and long-term maintenance of the additional inventory of lands and public highways that include infrastructure such as roads, sewers, streetlighting, streetscaping, stormwater management pond, etc.

Strategic Plan:

This report accomplishes the Strategic Plan priorities by supporting the benefits of sustainable growth to build a pre-eminent city with vibrant and connected communities.

Living the Mosaic – 2040 Vision

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and sustainable urban places.

Conclusion:

It is now appropriate that the municipal services within Registered Plan 43M-1989 be initiated for their assumption in accordance with Council's procedures and policies. Other departments must provide clearance prior to a by-law being passed assuming the subdivision.
