# Bridging the Digital Divide Through Cyber Security Awareness & Education

*A pathway for youth opportunity through education.*

**Social**

**Cultural**

**Economic**

# Community Collaboration

Jewil Corporation | Digital Learning | Program Management

Peel District School Board

City of Brampton

Transformation Impact Centre | Program Sponsor

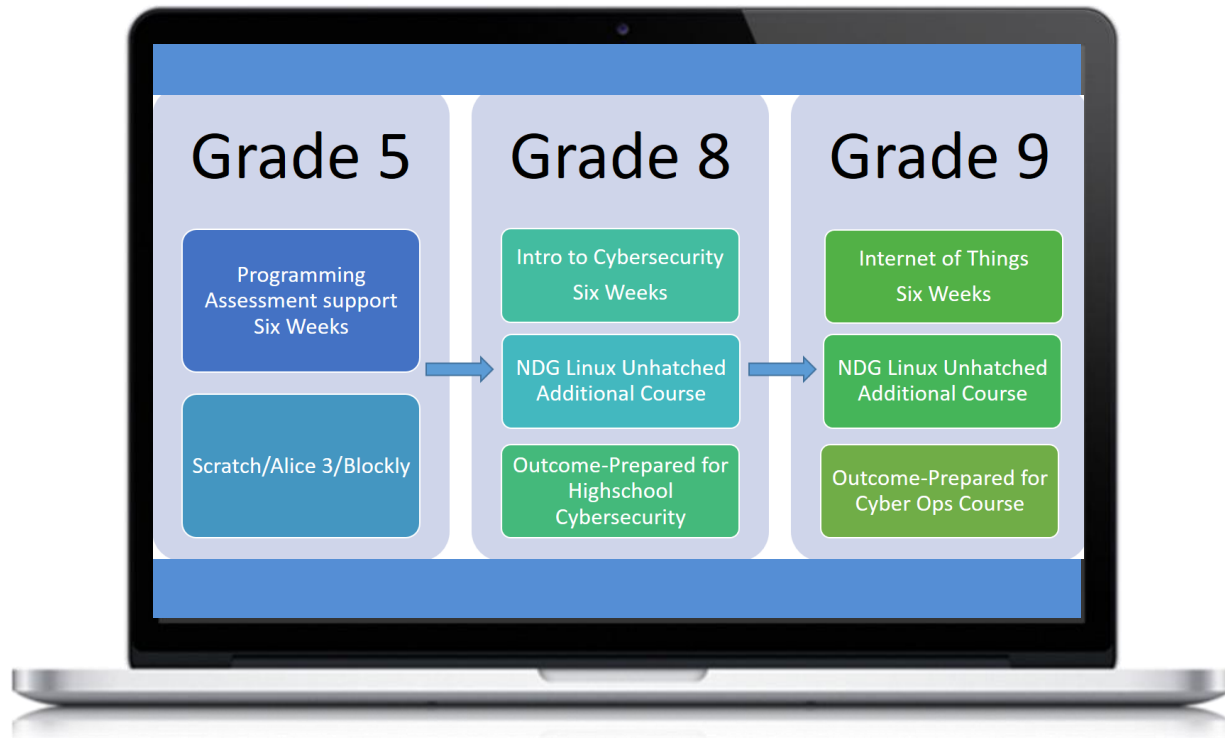

Ryerson University

Cisco Net Academy

# Pilot Program Outline

*Building Exposure and Awareness to the Cybersecurity Sector*

## Size

20-30 Students per grade

## Program Length

30 Hours with six-ten weeks to complete

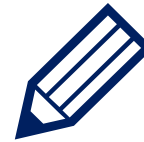

## Completion

Programming assessment will signify program completion

# Full Program Deployment

---

Completing the pilot will lead to full deployment of the program fall 2021.

Our full deployment leads youth down a pathway to post-secondary registration in cyber security courses and certification programs (Cisco cyber-ops associate)
