

BikeBrampton re: Brampton AT Annual Report

Committee of Council

March 31, 2021

Streets are for People

- ▶ Brampton is a Green City
- ▶ Brampton is a Healthy and Safe City

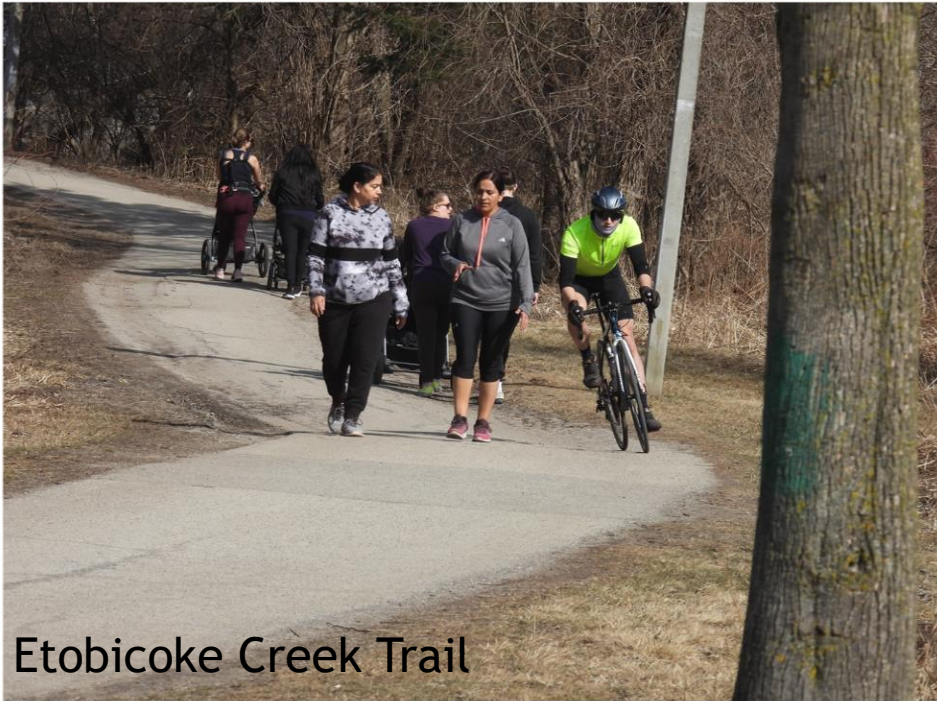

We support 2021 AT Plans

AT Infrastructure

- ▶ Sidewalks = pedestrians
- ▶ Multi-use paths = pedestrians & cyclists sharing... (?)
- ▶ Multi-use paths OVERCROWDED
- ▶ On-street infrastructure (bike lanes) NECESSARY TO MANAGE CAPACITY

Etobicoke Creek Trail

Vodden Street bike lanes

Build the Network: bike lanes, paths, curb depressions, traffic signals, green paint

Federal AT Infrastructure Funding

- ▶ National Cycling Strategy
- ▶ \$400 million over 5 years, nationally
- ▶ Brampton's 2040 Vision, Climate Emergency, ATMP
- ▶ 'Shovel-ready' projects

BikeBrampton supports the Staff Active Transportation Annual Report

We encourage City Council to endorse the recommendations for planned 2021 implementations.

Thank you
