*Staff from Public Affairs have reviewed the Regional Council agenda.

Item 22.1 Motion Regarding a Province-wide Vision Zero Strategy

Overview:

- The motion calls that the Regional Chair, send a letter to the Minister of Transportation and the Associate Minister of Transportation to request that the provincial government convene a stakeholder task force group to advise on how a province-wide Vision Zero strategy can be developed and implemented in Ontario to provide consistent guidance to municipalities.

City of Brampton Staff Comments (Public Works & Engineering):

- City staff in Traffic Services are part of a Vision Zero working group organized by the Ontario Traffic Council (OTC).
- The intent of the OTC working group is similar to the motion.
- The OTC has released an RFP to create a Provincial Guideline to provide a consistent approach for Ontario Municipalities to follow to action Vision Zero (or Vision Zero - like) programs.
- A potential province-wide Vision Zero strategy should ensure that there is no duplication and/or confusion with existing partnerships through the OTC.
