BRAMPTON

ICCC thanks the City of Brampton for this invitation & values the City's deep-rooted ties with India and our Indo-Canadian Diaspora

ICCC: An Insight

- Established in **1977** in Toronto, the Indo-Canada Chamber of Commerce is a bilateral trade promotion business organization.
- Our twin objectives are to foster trade between Canada and India and create opportunities for Canadian businesses to explore the Indian market.
- We are a non-profit, non-partisan organization. Our programs and policies foster individual initiative and the ability of members to make a significant contribution to the economic, cultural and social fabric of Canada.
- We connect and work closely with our Indo-Canadian leaders and Institutions.

ICCC – Brampton ties

Strong. Enduring. Interdependent.

- ICCC & Brampton ties date back more than two decades. The majority of ICCC members are Brampton-based businesses and individuals.
- Brampton leaders have traditionally accompanied & supported ICCC's India Trade Mission since 2003.
- In particular, Mayor Patrick Brown has accompanied several of our Missions; he knows India better than most Indo-Canadians.
- ICCC and Brampton's Economic Development Department have collaborated with our trade delegations from India since 2012.
