

BRAMPTON PLAN

Accessibility Advisory Committee
Meeting

June 1, 2021

Official Plan: What is it?

- Clarifies and provides **city building objectives**
- **Guides the realization of a vision** for the future of the city
- Identifies and defines the components of the city – **not as they are today, but as they are envisioned**
- **Provides a policy framework** to make the vision real

A New Brampton Official Plan = Brampton Plan

Brampton is preparing to develop a new Official Plan (OP)

- To be adopted by Brampton Council and Peel Regional Council
- A key focus for **implementing the Brampton 2040 Vision**, and master plans

Why is Brampton Plan Necessary?

Brampton Plan will replace Brampton's 2006 Official Plan, which:

- Was approved and published in 2008
- No longer fully reflects City priorities, or embodies best practices in municipal land use planning

Why is Brampton Plan Necessary?

The **Provincial legislation** governing municipal planning has also been updated recently

To conform with the initiatives of **Brampton's 2040 Vision** and the **Regional Official Plan**

“The purpose of the OP is to set out the municipality’s general planning goals and policies that will guide future land use in relationship to provincial initiatives, the Regional Official Plan and City initiatives.”
