**Re: Peel Region Consolidated Comments
City of Brampton Committee of Adjustment Hearing June 1st, 2021**

Dear Ms. Myers,

Regional Planning staff have reviewed the minor variance and consent applications listed on the June 1, 2021 Committee of Adjustment Agenda. We have no objections or comments on the following applications: A-21-101B, A-21-103B, A-21-104B, A-21-105B, A-21-107B, A-21-110B, A-21-111B.

The Region of Peel offers our comments and/or conditions on the following applications:
Regarding Deferred Minor Variance Application DEF-A-21-003B, 9035 Creditview Road
Servicing – Camila Marczuk (905) 791-7800, extension 8230

Comments:

- Region of Peel is currently reviewing SP-2019-023B, outstanding conditions are being addressed under the ongoing Site Plan Application.

Regarding Deferred Minor Variance Application DEF-A-20-051B, 6 Tracey Boulevard
Planning – Abiral Homagain (905) 791-7800, extension 8730

Comments:

- The subject land is located in the regulated area of the Credit Valley Conservation Authority (CVC). We rely on the environmental expertise of the Credit Valley Conservation Authority for the review of development applications located within or adjacent to the regulated area in Peel and their potential impacts on the natural environment. We therefore request that the City of Brampton Committee of Adjustment and staff consider comments from the Credit Valley Conservation Authority and incorporate their requirements appropriately. Final approval of this application requires all environmental concerns to be addressed to the satisfaction of the Credit Valley Conservation Authority (CVC).

Traffic – Catherine Barnes (905) 791-7800 extension 7569

Comments:

- No access will be supported off Queen Street East (Regional Road 107)

Regarding Minor Variance Application A-21-100B, 1310 Steeles Avenue East
Traffic – Ayesha Khan (905) 791-7800 extension 7909

Comments:

- Region of Peel is currently reviewing SP-19-067B, outstanding conditions are being addressed under the ongoing Site Plan Application.

Servicing – Camila Marczuk (905) 791-7800, extension 8230

Comments:

- The Region of Peel has an Environmental Compliance Approval (9582-B9TRLW) for the Regional Municipality of Peel Stormwater Management System. Therefore, it is the Region's mandate that no additional flows are permitted and no new connections are made to Regional Roads.
- Development flows are to be directed to the Local Municipality's storm sewer system or watercourses, to the satisfaction of the Region of Peel, the local Conservation Authority and all concerned departments and agencies. Alternatively, flows can be mitigated using Low Impact Development Technologies. Developers are required to demonstrate how this will be achieved through a Stormwater Management Report.
- No grading will be permitted within any Region of Peel ROW to support adjacent developments

Condition:

- Existing easements dedicated to the Region of Peel for the purpose of sanitary sewer and/or watermain, on the severed or retained portions must be maintained or relocated to the satisfaction to the Region of Peel. The applicant shall notify the Region of any proposed encroachments on the easement, including structures, signs, landscaping, walkways, parking and servicing.

Regarding Minor Variance Applications A-21-109B, Heart Lake Road & Countryside Drive

Planning – Abiral Homagain (905) 791-7800, extension 8730

Comments:

- The subject land is located in the regulated area of the Toronto and Region Conservation Authority (TRCA). We rely on the environmental expertise of the Toronto and Region Conservation Authority for the review of development applications located within or adjacent to the regulated area in Peel and their potential impacts on the natural environment. We therefore request that the City of Brampton Committee of Adjustment and staff consider comments from the Toronto and Region Conservation Authority and incorporate their requirements appropriately. Final approval of this application requires all environmental concerns to be addressed to the satisfaction of the Toronto and Region Conservation Authority.
- The subject land is located within a Core Area of the Greenlands System in Peel as identified under policy 2.3.2 of the Regional Official Plan. We rely on the environmental expertise of the Toronto and Region Conservation Authority (TRCA) for the review of development applications located within or adjacent to Core Areas of the Greenlands Systems in Peel and their potential impacts on the natural environment. We request that City of Brampton Committee of Adjustment and staff consider comments from the TRCA and incorporate their conditions of approval appropriately. Final approval of this application requires all environmental concerns to be addressed to the satisfaction of the Toronto and Region Conservation Authority (TRCA).

Servicing – Camila Marczuk (905) 791-7800, extension 8230

Comments:

- This site does not have frontage on existing municipal water

peelregion.ca

- This site does not have frontage on existing municipal sanitary sewer

Regarding Consent Application B-21-004B, 8871 Creditview Road

Servicing – Camila Marczuk (905) 791-7800, extension 8230

Comments:

- Please note that severing the lands may adversely affect the existing location of the water and sanitary sewer services, if any exist. The result of this may require the applicant to install new water / sanitary servicing connections to either the severed or retained lands in compliance with the Ontario Building Code. The applicant may require the creation of private water / sanitary sewer servicing easements. An upgrade of your existing service may be required. All works associated with the servicing of this site will be at the applicant's expense. For more information, please contact Servicing Connections
- Any changes to the underground water or sanitary sewer will require review by the Region of Peel. Site Servicing approvals are required prior to the local municipality issuing building permit. For more information, please contact Servicing Connections at siteplanservicing@peelregion.ca.

Regarding Consent Application B-21-008B, 176&178 Sussexvale Drive

Servicing – Camila Marczuk (905) 791-7800, extension 8230
