I apologize for not being able to send this email before June 1, I have been ill and was not able to send my email of objection.

Good morning Steve. I am emailing you to express my concern regarding the letter I received dated May 4 2021 regarding the matter stated below.

**Application for an official plan and zoning by-law amendment - 25 Kings Cross Road C04E05.32**

I do not want the the zoning to allow two mixed-use buildings to be built in this area. This area already has enough rental and condo buildings which makes the area congested. There are many children and seniors living in this area and I am concerned of the extra traffic these new towers will add. They will obstruct view and available sunlight.

**I object to the application to amend the Zoning By-law to permit a 17 storey mixed-use building and a 22 storey mixed-use building on 25 Kings Cross Road C04E05.32.**

Thanks and have a nice day.
