Good morning,

In response to an application for minor variance for dwelling Lot 325, Plan 43m-2022 municipally known as 38 FEEDER STREET, Brampton.

Whereas a request to build a below grade entrance for this dwelling.

I would choose to disagree with the go ahead building a below grade entrance for Lot 325, plan 43m-2022, 38 FEEDER STREET, Brampton.

Thank You
