Hi this is regarding the "Application of Minor Variance" for Property 38 Feeder Street, Brampton, Ontario.
I Kamran kabir and my wife Madiha saleem as a property owner of 36 feeder street, Brampton, on L7a4t9 . Adjacent to 38 feeder street Brampton where our properties share the common side yards have no problem or objections to "Application for minor variance" and we as home owners have no objections if the property owner of 38 feeder street Brampton will build a below grade entrance at side yard on his property line.
Thank you .
