**Subject:** [EXTERNAL]opposing the construction under File number OZS-2021-0011.

Hi Yin,

I am a resident of .  
I received the notification to amend the official plan and Zoning by Law under File number OZS-2021-0011.

I am opposing this construction as so many mature trees will be cut down. Apart from this it will increase traffic, noise, congestion and parking on the road in a very nice and peaceful neighbourhood. Parks are limited and due this construction those parks will always be overcrowded.

I am not sure how school, sewage and other infrastructure will support the new high population density.
